

# Besuch der Expolingua

Am 17. November 2017 haben fünf Klassen unserer Schule die [Expolingua](#) besucht. Mit 150 Ausstellern bot die Messe unseren Schüler\*innen und Studierenden Gelegenheit, sich über Sprachkurse, Auslandsaufenthalte und vieles mehr rund um das Thema Sprachen und Kulturen zu informieren. In verschiedensten Vorträgen und Podiumsdiskussionen konnten Schüler\*innen, Studierende und begleitende Kolleginnen unter anderem Aktuelles zu den Berufen des Übersetzers und Dolmetschers, zu alternativen Lernstrategien, international anerkannten Zertifikaten und Austauschprogrammen erfahren. - Definitiv eine lohnende Exkursion für alle Beteiligten!

Our class (371) visited the [Expolingua](#) fair on Friday, 17 November 2017. For all of us that were there it was a great opportunity. There were presentations and many stands where we could speak with company representatives. The information we received from them was quite interesting. Some of us enjoyed learning a new language during a short introductory course. Apart from that there were demonstrations of language-learning apps as well. Also many stands informed us about language courses abroad as well as international jobs, au pair work or Work & Travel.

One more thing worth mentioning is that everyone was amazed by a start-up which shows current jobs available online, on a world map and then a message is sent to job seekers. If we are interested in a certain position, we can apply directly using a short form.

Referring to the global job market, we have opened up our minds even more now. – Class 371 –
